

Financial Assistance Application

Dear Applicant,

We understand the sacrifice you make in paying for your child's Christian education, and we are committed to making our tuition affordable for all families. As part of that commitment, we offer financial aid to families who may need assistance.

Financial assistance is available to families who are unable to pay the full tuition for their children, based on demonstrated need. We approach each application with care and consideration, recognizing that every family's situation is unique. Financial assistance is available for families with children who have at least one child enrolled full-time.

Additionally, applicants must make regular tuition payments and actively participate in school fundraisers, which help to bridge the gap between the cost of attendance and tuition rates.

Financial assistance awards are determined on a per-case basis and are awarded off the total tuition, which is calculated as the yearly tuition minus any applicable multiple-child discounts. Please note that awards are for the remainder of the school year only and cannot be applied to any outstanding tuition balances.

Applications are reviewed and assessed on each family's circumstances based on the application, supporting documentation, and request letter by our finance committee who then makes a recommendation to the school board.

If you would like more information or need assistance with the application process, please don't hesitate to contact the school office. We are here to support you and ensure that your child's education is both affordable and accessible.

God Bless!
