SCHOOL PHILOSOPHY

We address the developmental needs of the student’s mind, body and spirit in an integrated approach, always sensitive to the unique needs of the individual student. Quality education with a biblical worldview is provided in a non-denominational Christian setting where the greatest lesson taught is the value of individuals in the eyes of their Creator.

HIGH SCHOOL MISSION STATEMENT

Improving our world by:

- Providing Christ-centered, academic excellence based on a biblical worldview
- Encouraging students to personally follow Jesus Christ
- Preparing students to meet the challenges and needs of the culture
- Develop strong Christian leadership skills in order to be successful Christ led leaders in our society
