Heartland Christian Academy Family,

My name is Greg Ferrin. I am thrilled to accept the position as interim principal for the 2021-22 school year. It's so gratifying to be selected to serve in this way. What a joy it will be to see how the Lord uses the social, educational, and spiritual growth at Heartland Christian Academy for His glory!

I would like to take just a few minutes to tell you more about me, as we look forward to a year of getting to know each other well. My walk with the Lord began in my teenage years. Through the adversities of coming from a divorced home, losing both parents at age 15, and living in multiple foster homes, I came to realize how I needed the Lord in my life. At a Sunday evening service at 15, I asked the Lord into my life and He has been my guide ever since.

I have been married to my precious wife, Kathy, for 51 years. We have two grown sons who are both married and we are blessed with four wonderful grandchildren.

I have had the privilege of teaching for over 25 years. In that time, I have taught elementary and middle school grades, and I have also enjoyed coaching football, basketball and golf. My career as an educator has been so richly blessed. In addition to serving the Lord and others as a classroom teacher, I have also been blessed to serve as an administrator. I have served in this capacity for over 12 years and consider myself a servant leader.

As an effective servant leader, I look forward to visiting all classrooms including the high school. I look forward to observing how the students are gaining and growing as students and as compassionate and impactful community members. I am also looking forward to seeing the developing partnership involving Heartland Christian School and Oak Hills Christian College. What an incredible collaboration!

I look forward to all of the ways God will use me to support the students, families, and staff at this most remarkable school. Please consider this an open invitation to come and see me at any time. I look forward to partnering with all of you and getting to know you better.

Thank you for enrolling your child(ren) in Heartland Christian Academy, providing them with a God-directed education. I look forward to the adventure ahead!

Sincerely,

Greg Ferrin
